Washington, D. C.

Dear Mr. Roberts:

Mrs. Manley asked me to send you a picture of Wells.  
I am very sorry I do not have any at present.

I will promise to send you a mat by the middle of  
next week, at the latest but will not be able to send the pic-  
ture until I have some more made. Will the mat answer the  
purpose? I am sure your paper has pictures of Wells on file.

Thank you for the request. You will hear from me very  
shortly.

Very truly yours,

EFFA MANLEY  
Business Manager
